LETTER OF RECOMMENDATION: YORDANOS HABTAMU

Dear Sir/Madam,

It is with great pleasure that I write this letter of recommendation for **YORDANOS HABTAMU**, who studied Software Engineering at Jimma University.

I have had the pleasure of knowing **YORDANOS** for five years as his Software Engineering program coordinator and instructor during Artificial Intelligence, Machine Learning and Computer Graphics and Multimedia courses. In all capacities, I have been consistently impressed by **YORDANOS**'s intellectual abilities, dedication, and passion for learning.

YORDANOS consistently impressed me with his strong analytical and problem-solving skills and his exceptional understanding of core software engineering courses. His proficiency in programming languages like C++, Java, Python, and web development tools is a testament to his competence and expertise. He demonstrated a deep understanding of complex concepts and the ability to apply them to real-world software development challenges.

As a lecturer and program coordinator, I was astounded by his enthusiasm for learning and his capacity for problem-solving skills.

Beyond technical skills, **YORDANOS** possesses excellent communication and collaboration skills. He is able to clearly articulate complex technical concepts and effectively work with others in a team environment.

On top of his exemplary academic excellence among his peers, **YORDANOS** is a person of remarkable character and politeness.

Therefore, I am pleased to recommend **YORDANOS HABTAMU** for both his academic pursuits and any positions he may apply for. Please do not hesitate to contact me if you require any further information.

Sincerely,
